

**Find out what a STEPS/Environmental Initiative
Summer UG Research/Fellowship can mean for YOU!
Meets 5 x 10 professional growth and success requirement!**

*Join us at our Social Mixer and the Presentations of our
2017 Summer UG Research/Fellowship Recipients*

Learn first-hand from this year's student recipients what opportunities are available for YOU as they present their own research. Meet faculty and ask questions.

These grants encourage students to...

- Engage in creative, independent research
- Explore the intersection of energy, environment, policy, economics, sustainability
- Supervised by Lehigh faculty
- Receive stipend for 6 or 10 weeks
- Undergraduates from ALL majors and colleges are eligible

Tuesday, September 19, 2017 ● 4:10 PM ● STEPS Concourse

Office of Interdisciplinary Programs: 31 Williams Hall, Suite 101 • 610-758-3996 • incasip@lehigh.edu
