

January 26, 2024

To Whom It May Concern:

Conemaugh Health System (CHS) is proud to host an educational *Imaging Symposium* and would like to offer your company the opportunity to exhibit products and information at this ASRT accredited event.

The seminar will be held from 7:00 a.m. to 1:00 p.m. on Saturday, April 27, 2024 at Conemaugh-East Hills in Johnstown, Pennsylvania. The speakers will include experts on a variety of topics related to radiology. Additional information will be included in the forthcoming brochure.

This educational seminar is sponsored by the Radiology Department at CHS. The goal is to provide a venue to learn and discuss best practices and emerging trends for registered mammographers, radiological science professionals, and other interested health care professionals. We expect 50 or more participants.

This vendor exhibit opportunity is open to several companies that CHS engages. We would be very appreciative of your support at what promises to be a very informative seminar. Note the vendor exhibit area will be kept separate from the educational presentation room.

Please refer to the attached *Vendor Exhibit Reply Form* for display fees. If you have specific questions regarding the seminar or venue, please contact us by phone at 814-534-1164 or by email at drininge@conemaugh.org.

We look forward to having you a part of this event.

Sincerely,

Ryan Shawley, MBA, RT(R)(N), NMTCB(RS)
