NEW HAVEN CITY COURT)	

NOTICE OF THE INSTITUTION OF FORMAL PROCEEDINGS

AND

STATEMENT OF CHARGES

The Indiana Commission on Judicial Qualifications (“Commission”), having found probable cause to warrant formal charges of judicial misconduct, now notifies Respondent, the Honorable Geoff L. Robison (“Respondent”) of the filing of these Charges. These Charges are brought under Admission and Discipline Rule 25 and before the Indiana Supreme Court, which, pursuant to Article 7, § 4 of the Constitution of Indiana, has original jurisdiction over the discipline, suspension, and removal of all judges and judicial officers of this State. The Commission charges that Respondent, while judge of the New Haven City Court, engaged in judicial misconduct as specifically charged below. Pursuant to Admission and Discipline Rule 25 VIII (F), Respondent may file a written Answer to these Charges within twenty (20) days of service.

BACKGROUND

1. Respondent is not an attorney.

2. Since January 1, 2000, Respondent has served as the Judge of New Haven City Court.
3. Prior to serving as New Haven City Court Judge, Respondent was the Chief of Police for the New Haven Police Department.
4. At all times pertinent to these Charges, Respondent presided over a docket which included infractions and ordinance violations.

RELEVANT STATUTES

5. At all times pertinent to these Charges, I.C. § 34-28-5-1(a) provided that an action brought to enforce an infraction statute must be brought in the name of the State of Indiana by the prosecuting attorney.
6. At all times pertinent to these Charges, I.C. § 33-39-1-5 provided, in relevant part, that, “Except as provided in IC 12-15-23-6(d) [Medicaid fraud], the prosecuting attorneys, within their prospective jurisdictions, shall:

(1) conduct all prosecutions for felonies, misdemeanors, or infractions and all suits on forfeited recognizances;

7. At all times pertinent to these Charges, I.C. § 34-28-5-1(g) provided that the prosecuting attorney may establish a deferral program for a traffic infraction if:
 - a. The defendant agrees to the conditions of the deferral program offered by the prosecutor;
 - b. The defendant agrees to pay to the Clerk of Court an initial user’s fee and a monthly user’s fee set by the prosecutor in accordance with I.C. § 33-37-4-2(e);
 - c. The terms of the agreement are recorded in an instrument signed by the defendant and the prosecutor;

- d. The defendant agrees to pay \$70 to the Clerk of Court if the infraction involves a moving violation;
 - e. The agreement is filed in the court in which the action is brought; and
 - f. The prosecutor electronically transmits the information about the withheld prosecution to the Indiana Prosecuting Attorney's Council.
8. At all times pertinent to these Charges, I.C. § 34-28-5-1(f) provided that individuals who were less than eighteen (18) years of age at the time of an offense would not be eligible for a deferral program if the alleged violation was under any of the following code sections: IC 9-19 (equipment violations); IC 9-21 (traffic regulation); IC 9-24 (driver's license violations); IC 9-25 (proof of insurance violations); IC 9-26 (accidents and accident reports); IC 9-30-5 (OVWI); IC 9-30-10 (habitual traffic violator); and IC 9-30-15 (open alcoholic beverage violations).
9. At all times pertinent to these Charges, I.C. 33-35-2-1 set forth the powers and duties of a judge of a city or town court. Nowhere within this statute is a city court judge given the power to initiate the filing of infractions or to dispose of infractions by deferral without action from the prosecutor.
10. At all times pertinent to these Charges, both the Allen Superior Court and New Haven City Court had concurrent jurisdiction to preside over traffic infractions filed by the prosecutor, meaning that the prosecutor could initiate the filing of infraction cases in either court.

PROCESSING OF INFRACTION TICKETS IN NEW HAVEN CITY COURT PRIOR TO APRIL 15, 2015

11. Continuing with the operations of her predecessor, when Prosecutor Karen Richards ("Prosecutor Richards") took office in 2003, she entered into a written agreement with the New Haven City Court setting forth minimum standards for who would be allowed to

participate in the Allen County Infraction Deferral Program. Under the agreement, the New Haven City Court would provide the day-to-day administrative duties to administer the program pursuant to the standards provided by the Allen County Prosecutor's Office, and, in exchange, the Allen County Prosecutor's Office agreed that the Prosecutor's Diversion Fund would pay the City of New Haven \$25.00 for each Infraction Deferral Program contract executed by the New Haven City Court and \$5.00 for each seatbelt Infraction Deferral Program contract.

- a. Around that time, the Allen County Prosecutor's Office provided the New Haven City Court with Prosecutor Richards' signature stamp, so New Haven City Court staff could execute Infraction Deferral Program contracts pursuant to the standards provided by the Allen County Prosecutor's Office.
- b. This practice continued until the Spring of 2015, at which time, Prosecutor Richards learned at a prosecuting attorney seminar or through an advisory opinion that it was unethical to have court staff perform the duties of the prosecutor.
- c. Upon learning this information, Prosecutor Richards decided to discontinue this practice and made arrangements to communicate her intent to no longer file infractions in the New Haven City Court.

FACTS GIVING RISE TO MISCONDUCT CHARGES

Filing and Processing of Infraction Tickets Without Prosecutor Approval

12. On April 14, 2015, Prosecutor Richards, her Chief Deputy, and Respondent had a meeting regarding the New Haven City Court.
 - a. During the meeting, Prosecutor Richards informed Respondent that the Allen County Prosecutor's Office would no longer staff the New Haven City Court and

would no longer authorize the filing of charges in the city court.

- b. Prosecutor Richards further informed Respondent that any attempted filings of state infraction tickets or Allen County ordinance violation tickets in New Haven City Court by police officers should be returned to the officer for filing in the Allen Superior Court.
 - c. Prosecutor Richards also advised the New Haven Police Department, the Allen County Sheriff's Department, and the Indiana State Police Department about the Allen County Prosecutor's Office's new policy.
13. On April 14, 2015, Prosecutor Richards also followed up with a letter to Respondent summarizing the information from the meeting described in ¶12.
- a. In the letter, Prosecutor Richards indicated that cases filed with the New Haven City Court *prior* to April 14, 2015 still could be processed and, if appropriate per the Allen County Prosecutor's Office's protocol, be placed on the Infraction Deferral Program or otherwise proceed to disposition.
 - b. In the letter, Prosecutor Richards specified, "to reiterate, any tickets received on or after April 14, 2015 need to be returned to the officer for filing in the misdemeanor division."
14. Despite Prosecutor Richards' directive that the Allen County Prosecutor's Office no longer would authorize the filing of charges in New Haven City Court, Respondent permitted state infraction tickets to be filed and processed in New Haven City Court from April 15, 2015 through May 22, 2017. (*See* Exhibit A – List of Infractions Filed from 4/15/15 to 5/23/17).
- a. No representative from the Allen County Prosecutor's Office signed or otherwise authorized the filing of these infractions.

- b. For the majority of these infractions, no representative from the Allen County Prosecutor's Office appeared on behalf of the State at court hearings or otherwise authorized or approved the disposition of the infractions or referral to the Infraction Deferral Program.
- c. Instead, court staff or Respondent used a stamp of Prosecutor Richards' signature, previously provided by the Allen County Prosecutor's Office, to approve Infraction Deferral Program Agreements after April 14, 2015.
- d. By proceeding in this manner after the Allen County Prosecutor's Office indicated that it would no longer authorize for filing infractions in the New Haven City Court, Respondent improperly took over the role of the prosecutor and was in violation of I.C. § 34-28-5-1(a) and I.C. § 33-39-1-5.

15. Reports submitted to the Indiana Office of Court Services by the New Haven City Court reflect that:

204 new infraction cases were filed in 2018;
429 new infraction cases were filed in 2017;
906 new infraction cases were files in 2016;
298 new infraction cases were filed in 2015 after 7/1/15.

According to the submitted reports, none of the infraction cases filed were venued or transferred out to the Allen Superior Court or any other court.

Improper Use of Signature Stamp to Execute Deferral Agreements

16. In early May 2017, Prosecutor Richards learned that Respondent was continuing to accept state infraction tickets for filing and was using her signature stamp, without her authority, to execute Infraction Deferral Program Agreements for infractions submitted after April 14, 2015.

- a. On May 12, 2017, Prosecutor Richards sent a letter to Respondent reiterating her

prior position that the Allen County Prosecutor's Office did not authorize the filing or processing of infraction tickets in New Haven City Court after April 14, 2015 and did not authorize executing IDP agreements for offenses submitted after April 14, 2015.

- b. In her letter, Prosecutor Richards directed Respondent to immediately cease and desist the unauthorized use of her signature stamp. Within a few days, she followed up by sending a staff member of the Allen County Prosecutor's Office to retrieve her signature stamp.
 - c. Prosecutor Richards also expressed the need for Respondent to immediately audit all New Haven City Court pending cases and dismiss any pending state infraction cases and to send that information to her attention directly.
17. By continuing to use (and allow court staff to use) Prosecutor Richards' signature stamp after she informed Respondent that the Allen County Prosecutor's Office would not authorize the filing or resolution of state infractions submitted after April 14, 2015, Respondent improperly took over the role of the prosecutor and was not acting in compliance with I.C. § 34-28-5-1(g).

Improper Juvenile Infraction Deferral Agreements

18. On May 24, 2017, Respondent sent to Prosecutor Richards a printout of pending infraction cases in the New Haven City Court which were filed between April 15, 2015 and May 22, 2017 (*See Exhibit A*). The printout revealed 67 infraction cases which remained pending before the New Haven City Court that were filed during that time period.
19. After reviewing the printout submitted by Respondent, Prosecutor Richards discovered that Respondent had been placing juveniles in the IDP Program in violation I.C. § 34-28-5-1(f).

Prosecutor Richards also discovered that the New Haven City Court had been accepting payments on a number of infraction cases without there being an adjudication of the case.

20. On September 13, 2017, Prosecutor Richards sent a letter to Respondent pointing out these two issues to him and informing him that he needed to dismiss any cases in which a juvenile had been placed on the Infraction Deferral Program, any cases in which defendants had been paying fines without an adjudication, and transfer any pending case, without an adjudication which was not on the Infraction Deferral Program, to the presiding judge's attention in Allen Superior Court. She further directed that any case on the Infraction Deferral Program for charges filed after April 14, 2015 should be dismissed on the court's own motion since those cases were inappropriately in the Infraction Deferral Program without prosecutor authorization.
21. From September 22, 2017 to September 26, 2017, Respondent dismissed the cases identified but noted on the record that the dismissals were upon petition by the prosecuting attorney. No such petitions had been filed.
22. By permitting individuals under the age of 18 who had been charged with moving violations and other infractions which made them ineligible for a deferred resolution to enter into Infraction Deferral Program agreements, Respondent violated I.C. § 34-28-5-1(f).
23. Respondent also dismissed the infractions identified in which the New Haven City Court had accepted partial payments but there was no adjudication.
 - a. Respondent dismissed these matters with prejudice.
 - b. By dismissing infractions with prejudice, Respondent prevented the prosecutor from being able to refile those matters in Allen Superior Court.

CHARGES

The Commission incorporates the facts set out in ¶¶ 1 - 23 into the Charges below.

Count 1

The Commission charges that, by permitting the filing and processing of state infraction cases in New Haven City Court after April 14, 2015, when the Allen County Prosecutor's Office did not authorize the infractions for filing, Respondent violated Rule 1.1 of the Code of Judicial Conduct, which requires a judge to comply with the law; Rule 1.2 of the Code of Judicial Conduct, which requires a judge to act at all times in a manner that promotes public confidence in the independence, integrity, and impartiality of the judiciary; Rule 2.2 of the Code of Judicial Conduct, which requires a judge to uphold and apply the law and perform all duties of judicial office fairly and impartially; Rule 2.9(A) of the Code of Judicial Conduct, which requires a judge not to initiate, permit, or consider ex parte communications made to the judge outside the presence of the parties or their lawyers concerning a pending or impending matter; and Rule 2.12(A) of the Code of Judicial Conduct, which requires a judge to require court staff, court officials, and others subject to the judge's direction and control to act in a manner consistent with the judge's obligations under this Code.

Count 2

The Commission charges that, by permitting juveniles to resolve infraction cases through an Infraction Deferral Program during 2016 and 2017 when such resolutions were prohibited by I.C. § 34-28-5-1(f), Respondent violated Rules 1.1, 1.2, and 2.2 of the Code of Judicial Conduct and committed conduct prejudicial to the administration of justice.

Count 3

The Commission charges that, by allowing individuals to be placed into the Infraction Deferral Program on infraction tickets submitted after April 14, 2015, without the consent of the Allen County Prosecutor's Office, Respondent violated Rules 1.1, 1.2, 2.2, 2.9(A), and 2.12(A) of the Code of Judicial Conduct.

Count 4

The Commission charges that, by dismissing with prejudice state infractions in which the New Haven City Court had accepted partial payments with no adjudication, Respondent violated Rules 1.1, 1.2, 2.2 of the Code of Judicial Conduct and committed conduct prejudicial to the administration of justice.

WHEREFORE, the Commission respectfully requests that, upon the filing of Respondent's Answer, the Indiana Supreme Court appoint three Masters to conduct a public hearing on the charge that Respondent committed judicial misconduct as alleged, and further prays that the Supreme Court find that Respondent committed misconduct and that it impose upon him the appropriate sanction.
