

menagerie of **DREAMers**

The “**menagerie of DREAMers**” exhibit looks to the experience of DACA recipients through a series of bedrooms. Each bedroom centers a set of artifacts morphing into a dream like state, telling a story. The rooms are viewed through drawing-devices, building up stories and breaking down the conditions of a DREAMer.

02.02.24 - 02.20.24

Opening reception Feb. 2, 4:30pm - 6:00pm
